TOGETHER, ENDING HUNGER IS POSSIBLE.

Taking the Fall Agency Gathering on the Road

In planning an agency gathering for the fall, we thought it might be better to hold some small agency gatherings in various locations rather than one large gathering. We know that gathering to share ideas is valuable so we are working to find a safe way to make this happen. The Field Services team has been working on plans for these gatherings all summer. We have 7 locations identified throughout the 14 county service area to bring a gathering to a city near you: Chippewa Falls, Fairchild, Ladysmith, Medford, Menomonie, Mondovi, and Rice Lake.

We recognize that concerns for Covid are once again increasing. Just like you, we have no idea what the coming months will hold in terms of Covid infections and health department recommendations. As soon as we feel confident to move forward with our plans for the small agency gatherings, we will reach out with details on the gatherings. We are looking forward to gathering with you all whenever and however possible this fall.
