

## An UPDATE for PARTNERS of FEED MY PEOPLE May 2026

### **Feed My People Closed for Juneteenth**

Feed My People will be closed for Juneteenth on Friday, June 19th. Any changes to your ordering window or delivery date will be communicated by email in advance. Please mark your calendar with any changes to avoid your order being cancelled and reach out if you have questions.

Delivery/Customer Pick Up for **Monday, June 22**: Order window opens Friday, June 12 - Order deadline is Tuesday, June 16 by 11:59pm

Delivery/Customer Pick Up for **Tuesday, June 23**: Order window opens Monday, June 15 - Order deadline is Wednesday, June 17 by 11:59pm

### **Kwik Trip Voucher Updates**

We wanted to share an update regarding the Kwik Trip vouchers we currently offer. Our remaining inventory of Kwik Trip Meat Vouchers will be reduced in cost by 25%. Once this inventory is depleted, the Meat Voucher will be discontinued. Please note that any vouchers distributed prior to discontinuation will continue to be honored through their listed expiration date. All other Kwik Trip vouchers will also be reduced in cost by 25% and will continue to be available moving forward. You may also notice a bit of a price change as the packs of vouchers have increased to 25 per pack instead of the usual 20.

### **Feed My People Food Bank Announces Strategic Transition of its Eau Claire Pop-Up Program**

Beginning in June, FMP will scale back its Eau Claire pop-up distribution schedule from four events per month to two. Distributions will take place at the Hunger Action Center, 2610 Alpine Road, on the second Monday from 5:00–6:00 p.m. and the fourth Friday from 10:00–11:00 a.m., continuing through December. In 2027, pop-ups in Eau Claire will move to an as-needed, emergency response model rather

than have a regular schedule. This shift is being made in coordination with local pantries.

## The Fine Print Fun

### 2026 Partner Manual: Monthly Statistics Requirements

- Feeding America requires Food Bank Partners to record and report monthly statistics.
- Statistics must include ALL households and household members.
- Statistics must include ALL the pounds distributed, including pounds obtained from resources other than FMP.
- Statistics must include Kwik Trip Voucher pounds utilizing the following formula:
  - o 1 egg voucher = 1 pound
  - o 1 produce voucher = 1 pound
  - o 1 meat voucher = 1 pound
  - o 1 milk voucher = 4 pounds
- **Statistics must be submitted no later than 8:00 am on the 5<sup>th</sup> of each month.**
- Partners may be placed on product hold if statistics are not submitted by the 5<sup>th</sup> of each month.
- Statistics are reported on the Partner Hub under the "Statistics" tab.

### 2026 Food Safety Manual: Recall Procedure

- In the case of a recall, FMP staff will reach out to all Partner Agencies and any Partner Agencies who have ordered a product from FMP that has been recalled will receive a second email and phone call. Your Role in a Recall
- If you have the recalled product in storage, please remove any remaining product from your shelves and follow the recall's guidelines for disposal. Updated 6.30.2025
- If you have distributed the recalled product, please notify your guests in whatever way is possible.
- Check your sub-distribution tracking sheet to see if you passed the recalled product to any other FMP Partner Agency. If yes, notify them immediately. Recommendation
- It is recommended that Partners subscribe to the USDA's recall notice mailing list for all recalls (<https://www.fsis.usda.gov/recalls>) as food may be obtained from other sources in addition to Feed My People Food Bank.

The *Food Safety Manual* can be found on the FMP website under *Network Partners*. In *Network Partners*, click under [Agency Info](#) on the orange plus button to the right of FOOD SAFETY. The directory link is labeled : **2026 Food Safety Manual**.

## Partner Proud

We love celebrating the amazing partners and volunteers who make a difference in our communities! Since we're spread out across the area, we don't always get to

see each other or hear about all the wonderful things happening. We'd love for you to share your stories and highlights with us—so we can give you the recognition you truly deserve! Feel free to send pictures and stories in so we can highlight you!

Please send to [angela@fmpfoodbank.org](mailto:angela@fmpfoodbank.org)

## Food Rescue

We would love to introduce Ashley Walton, Food Resource Supervisor, as our go-to Food Rescue guide for our partners. With experience across multiple departments at Feed My People, Ashley brings a strong, well-rounded understanding of how everything connects—from operations to food sourcing. Ashley is passionate about food banking and helping make sure rescued food gets to neighbors in a way that feels dignified and respectful. She's a friendly, reliable resource who enjoys helping strengthen food rescue efforts across the network. We are grateful for Ashley and excited that she will be reaching out to food rescue partners soon.

## Community Partnership Incentive Program

The Community Partnership Incentive Program is designed to support pantries in expanding the services available to their clients beyond food assistance. By inviting outside community resources—such as human services, public safety, healthcare, or other local support organizations—into pantry distributions, partners help connect households to critical services that promote long-term stability. To recognize and encourage this collaborative approach, Feed My People will provide a food credit to participating pantries, helping offset future food purchases while strengthening community impact. Please see the program details below.

Even if you already have something scheduled, or a recurring event, we would still love to work with you on this and hear all of the great details! Reach out to your Partnership Team so we can get you all set up for potential incentive.

## It's heating up!

As temperatures begin to rise, we want to remind all partners of the importance of maintaining proper storage conditions to protect food quality and safety.

**Dry storage and pantry areas should be well-ventilated, clean, and maintained at temperatures between 41°F and 70°F whenever possible.**

Excessive heat and humidity can negatively impact food quality, reduce shelf life, increase the risk of spoilage, and create conditions that may contribute to mold growth or pest activity. If you notice temperatures consistently exceeding recommended ranges, consider implementing additional ventilation or cooling measures to protect your inventory.

Thank you for your continued commitment to providing safe, high-quality food to the communities you serve.
