### FoodShare Outreach

Sharing information with your guests about FoodShare (SNAP) can make a positive impact on their ability to purchase needed food for themselves and their families.

At Feed My People, we have a FoodShare Outreach Specialist on staff who is ready and willing to come to your distributions to share information and help guests determine eligibility benefits.

We also have FoodShare fliers available to hand out to your guests with Sarah's contact information on them.

Please email Sarah at [sarahs@fmpfoodbank.org](mailto:sarahs@fmpfoodbank.org) if you are interested in having her attend your distribution or to receive more FoodShare fliers.

### FALL POP-UP SCHEDULE

Are you wondering where and when your guests would have additional access to food in your area? Please share our Fall Pop-Up flier to ensure all people have access to food in our 14 county area this fall.

If any of our partners would like us to share information about their distribution at our Pop-Ups, please email your information to Ashley at [ashleyo@fmpfoodbank.org](mailto:ashleyo@fmpfoodbank.org).
