

An Update for Partners of Feed My People

PARTNER GATHRING IN BLAIR, WISCONSIN A SUCCESS!

**PARTNER GATHERING
HIGHLIGHT**

"I like the regional meetings - more chances to meet more people that are in a similar economic situation."

"It's more about our story and telling people about us, rather than just asking for donations and help."

~Learned from a breakout session

Feed My People held the first of three regional partner gatherings on May 31, in Blair, Wisconsin. The Blair Food Pantry kindly offered to host, and there was an amazing turn out. Fourteen partners, from four different counties, attended. Our partners were able to gain new insights, information, networking partners, and much more. Please join us for the next partner gathering on Wednesday, June 28. See details in the next article!
