

FMP PARTNER GAZETTE

TOGETHER, ENDING HUNGER IS POSSIBLE.

January 26th, 2023

Food Need Increasing

Feed My People conducted our first distribution out of the most recent addition to the building - the Hunger Action Center. Typically FMP distributes on the 2nd and 4th Fridays of each month at the Brewing Projekt. For the next few months we will be distributing at the warehouse and plan to move back to the Brewing Projekt this spring.

We served 265 families on January 13th and distributed over 13,000lbs including food, diapers, and cleaning supplies. FMP has been serving between 180-200 families for this distribution, so this is a significant increase. We heard from a handful of families that this was their first time ever receiving free food.

As we see these increases, we know that this may happen all over our service area. Please let us know how we can work together to serve the guests from your community.

FMP Pop-Up Pantry Schedule

Speaking of distributions - below is our updated winter Pop-Up Pantry Schedule. If

folks are looking for additional resources under your distribution, please feel free to refer them to one of these distributions.

We also have all our partners distribution information on our website under the "[Find Food Tab](#)" - this is a great way to partner together with other hunger relief partners.

WINTER 2022-23 POP-UP FOOD DISTRIBUTION SCHEDULE

In need of extra groceries? When you drive up to one of these free grocery distribution events, pre-packed boxes of food will be loaded directly into your vehicle by volunteers. Menu changes location to location and week to week, but fresh food including meat, dairy, and fruit are likely included along with a variety of non-perishable and snack food items. No ID is required except at the Cadott Pop-Up. You may pick up for another household if they are unable to attend the distribution event.

Food Rescue Partners Needed!

If you are interested in partnering with one of the following retail donors please contact [Tina](#)

Some things to keep in mind when considering Food Rescue are a weekly pick up commitment, storage space, how frequently you can distribute product, and if you are less than 30 minutes away from the store.
