## Truck Delays

Welcome to summer road construction season. Please keep in mind that our delivery trucks may encounter road construction. Please be ready to be flexible with the arrival times of our trucks during this season.

**PLANT THEM IN THE SPRING**

**BY SUMMER THEY'RE IN FULL BLOOM!**

## Welcome Sydney!

Sydney is an intern with FMP for the summer. She is joining us from Illinois and is currently a junior at UWEC with a focus on environmental public health. You may see her at a Coffee and Conversation gathering or joining our field services team at other outings. Please join us in welcoming her to our hunger relief team for the summer.

## FMP is Closed for the 4th of July Holiday

Feed My People is closed on Monday, July 4th. If your order or delivery is affected by this closure, you will hear from us soon.

## More FMP Tours Available!

Tours in the month of May were a huge hit!  
We saw more than 25 people for tours from

all over our service area. Here are some of the comments we heard:

**"I never imagined your operation would be this big!"**

**"I can't believe how heavily the food bank relies on volunteers!"**

**"This tour helped me make sense of what happens from start to finish when I order food."**

We want to extend the invite to come for a tour into this summer. Come visit when you might be in the area. Bring your team of volunteers if you would like. Sign up for a tour with Tina's [calendly link](#) or give us a call. A tour will likely take about 30 minutes. We're looking forward to seeing you.
