2022 Agency Agreements

2022 Agency Agreements were put in the mail on Friday. Please watch for these and get them signed by the appropriate people and returned to us by December 1st. We look forward to partnering with you in 2022!

Some Route Changes Coming in 2022

We're working on revamping some of our delivery routes for 2022 because we continue to face a shortage of volunteer and paid drivers. You will hear from us in early December if your route is affected.

Great Products Donated Recently!

We recently got it a lot of Hand Soap. It's only \$0.80/case. Look for item number DN700697 to order some today!

So many different types of delicious crackers recently came into our warehouse. These fall under 3 item numbers because the cases are different weights. Look for the following item numbers to order some today: DN700628, DN700761, and DN700763.

Sourcing and Shipping Challenges

Like many other businesses, we are experiencing some sourcing and shipping challenges. You may notice that sometimes we don't have an item that we've consistently had in the past. We ask for your flexibility and understanding.

Are Your Guests Thirsty?

Most beverages have been discounted. Many are now free and others are only \$0.08/pound. Unflavored water is still \$0.16/pound. Please help us move these products.
