Winter Weather Reminders

Winter is right around the corner. Here are some reminders about deliveries during winter weather.

Please make sure that driveways and walkways are clear of snow, and slippery spots are salted/sanded. Snow on surfaces makes it extremely difficult or even impossible for our drivers to get their pallet jacks to your door. Deep snow and ice may even prevent receipt of deliveries.

If you have pallets and milk crates to return, ideally they should be kept indoors until your next delivery to keep them free of snow. If keeping them inside is not possible, please keep pallets and milk crates covered.

There could be delays and/or time changes to your delivery due to inclement weather. Please be patient.

Most of our drivers are volunteers - we honor their comfort level in making the final “go” or “no go” decision. We will notify you as soon as possible if a delivery will be cancelled. Please let us know as soon as you know of any road closures that may affect the route, or if your program is closed for the day.

If you need to cancel the delivery or pick up, please leave a message on Rick's extension (715.835.9415, ext. 102). Rick checks his phone as early as 7 a.m. and is usually in the office by 7:30 a.m. Since he will possibly not be at his desk, please leave a message.

As always, if you have any questions, please call us at 715-835-9415 ext 5.

Customer Pick-Up Changes and Reminders

Effective December 1st, when you arrive at Door 10 for customer pick-up, you will be asked to call 715-450-2418. This number will be posted on the door 10. This phone number will connect you with a warehouse employee. After speaking with the warehouse employee, they will bring your order out and you can load your vehicle.

Reminders:

- Please be sure to place your order for customer pick-up by 8am two

- full business days before you are planning to pick up.
- Please write the day you plan to pick up the order in the notes/comments at the checkout screen.
- Please pick up your order between 8:30am and 3pm.
