Great Single Serving Food Available

We did a survey for our backpack program partners over the summer to see what their needs are and how we can help.

75% said that "Meats & Meals" were a priority and we have thus sourced two kinds of individual serving meals:

Fast Mac and Cheese (P700744) and **Sketti O's with Beef (P700746)**.

Many programs also shared how important individual sized snacks were so we have also sourced **Peanut Butter on Cheese Crackers (P700745)**.

If you think your pantry or other type of program can utilize these products as well, feel free to order them.
